- 3° L'audition des Disques PATHÉ commence par le centre. (Placez le sifflet à l'extérieur et contre le petit cordon en relief).
- 4° Les Disques PATHÉ doivent être entendus à la vitesse de 90 à 100 tours à la minute.
- 5° Les Disques PATHÉ s'écoutent avec toutes les machines parlantes à disques de bon fonctionnement au'il suffit de munir du diaphragme PATHÉ spécial pour disques.

1913 and 2020

Turkish and Modern Carpets

Before and after decimalisation

Victorian grandeur meets Elizabethan modernity

And it can't even make calls

# The *They* Cave

It will all come in useful

Man Cave-Organised Chaos

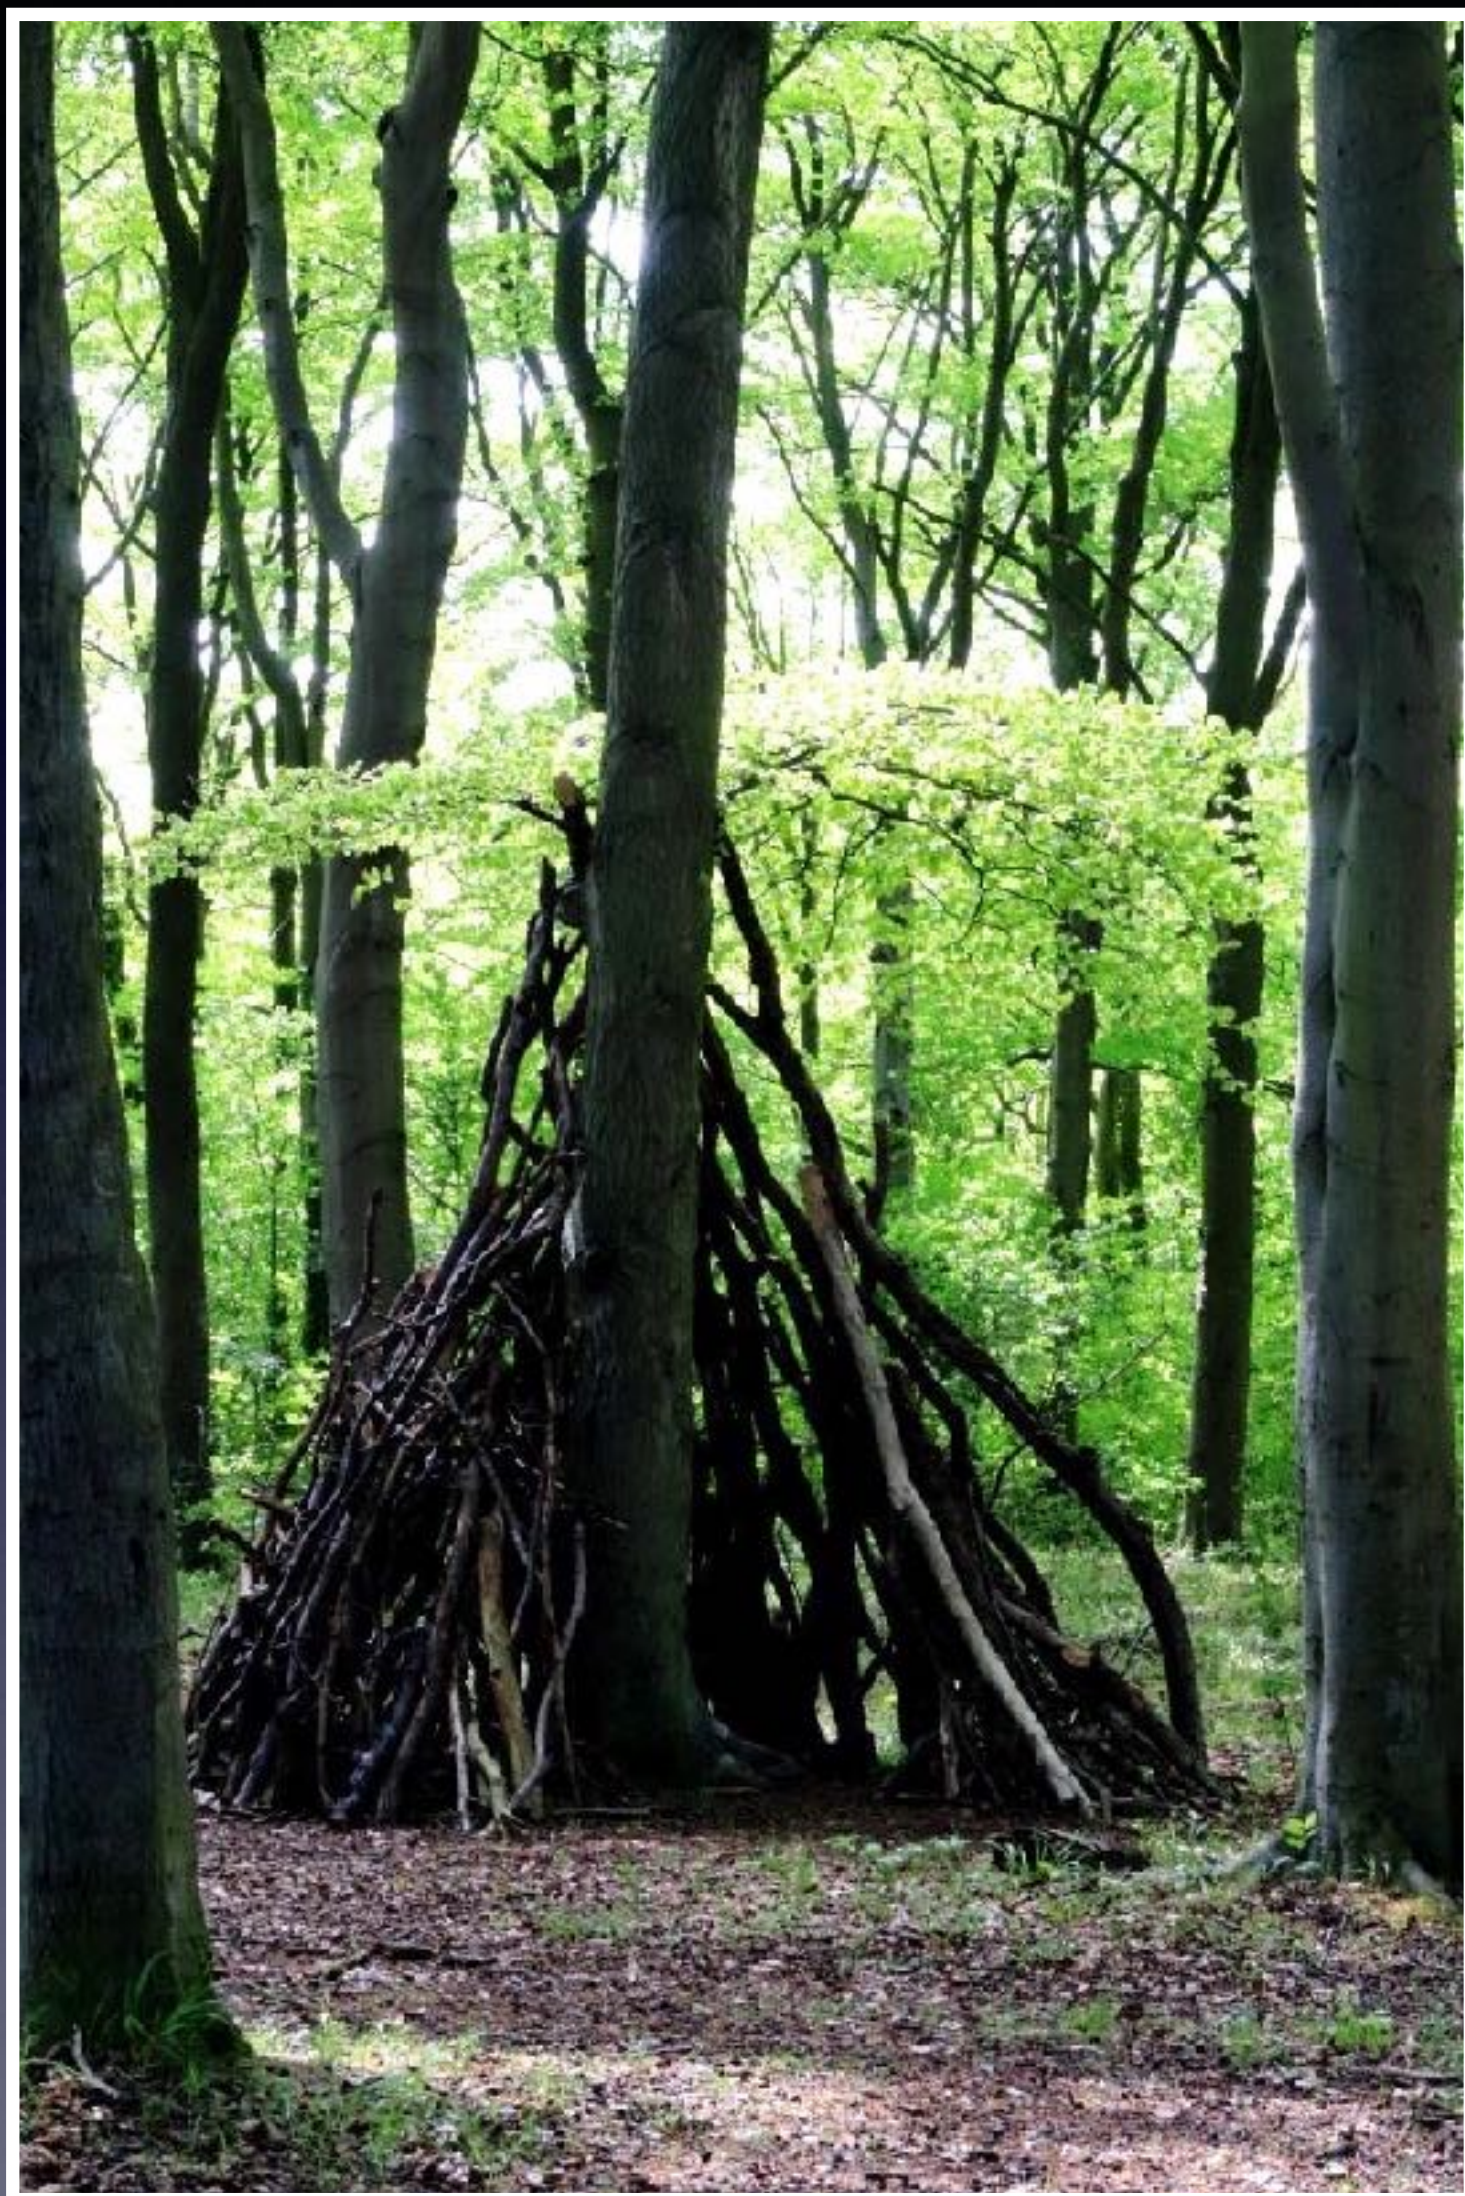

My man in his den

Work(s) in Progress

Hidden (He Den)

Man cave in the woods

# Household Objects

What to eat and drink tonight - the fridge is bare

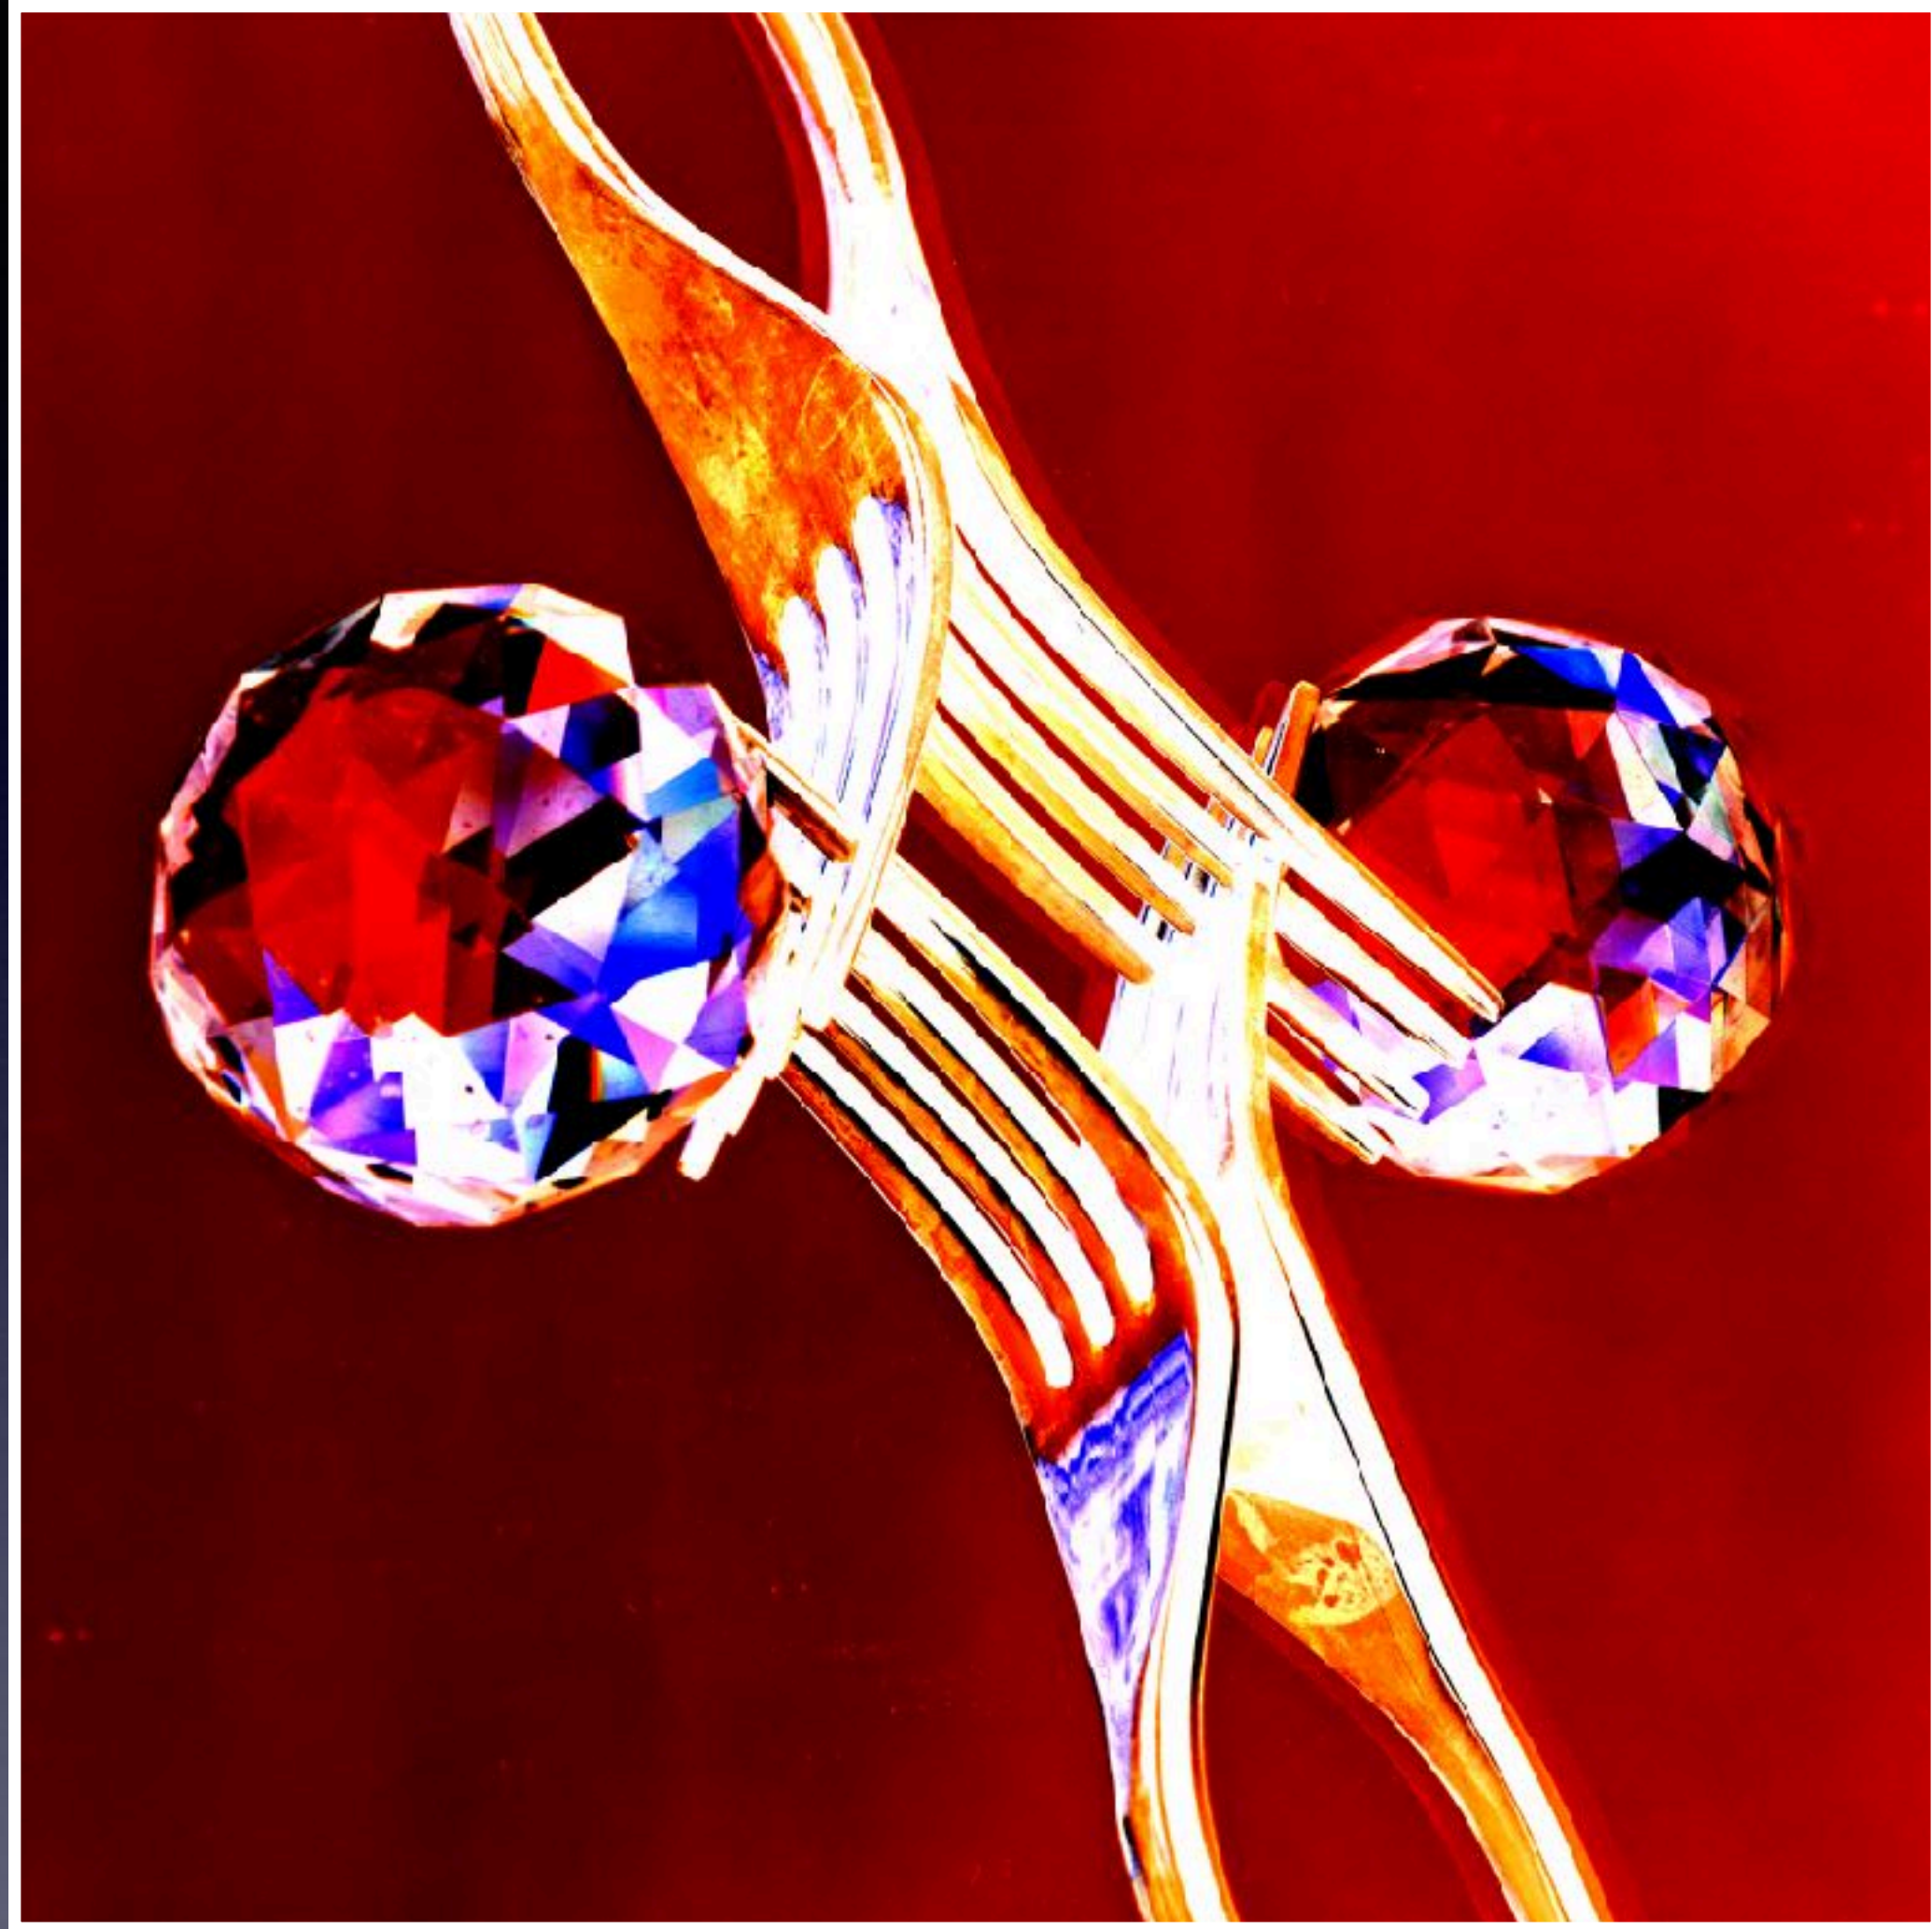

Little Boxes

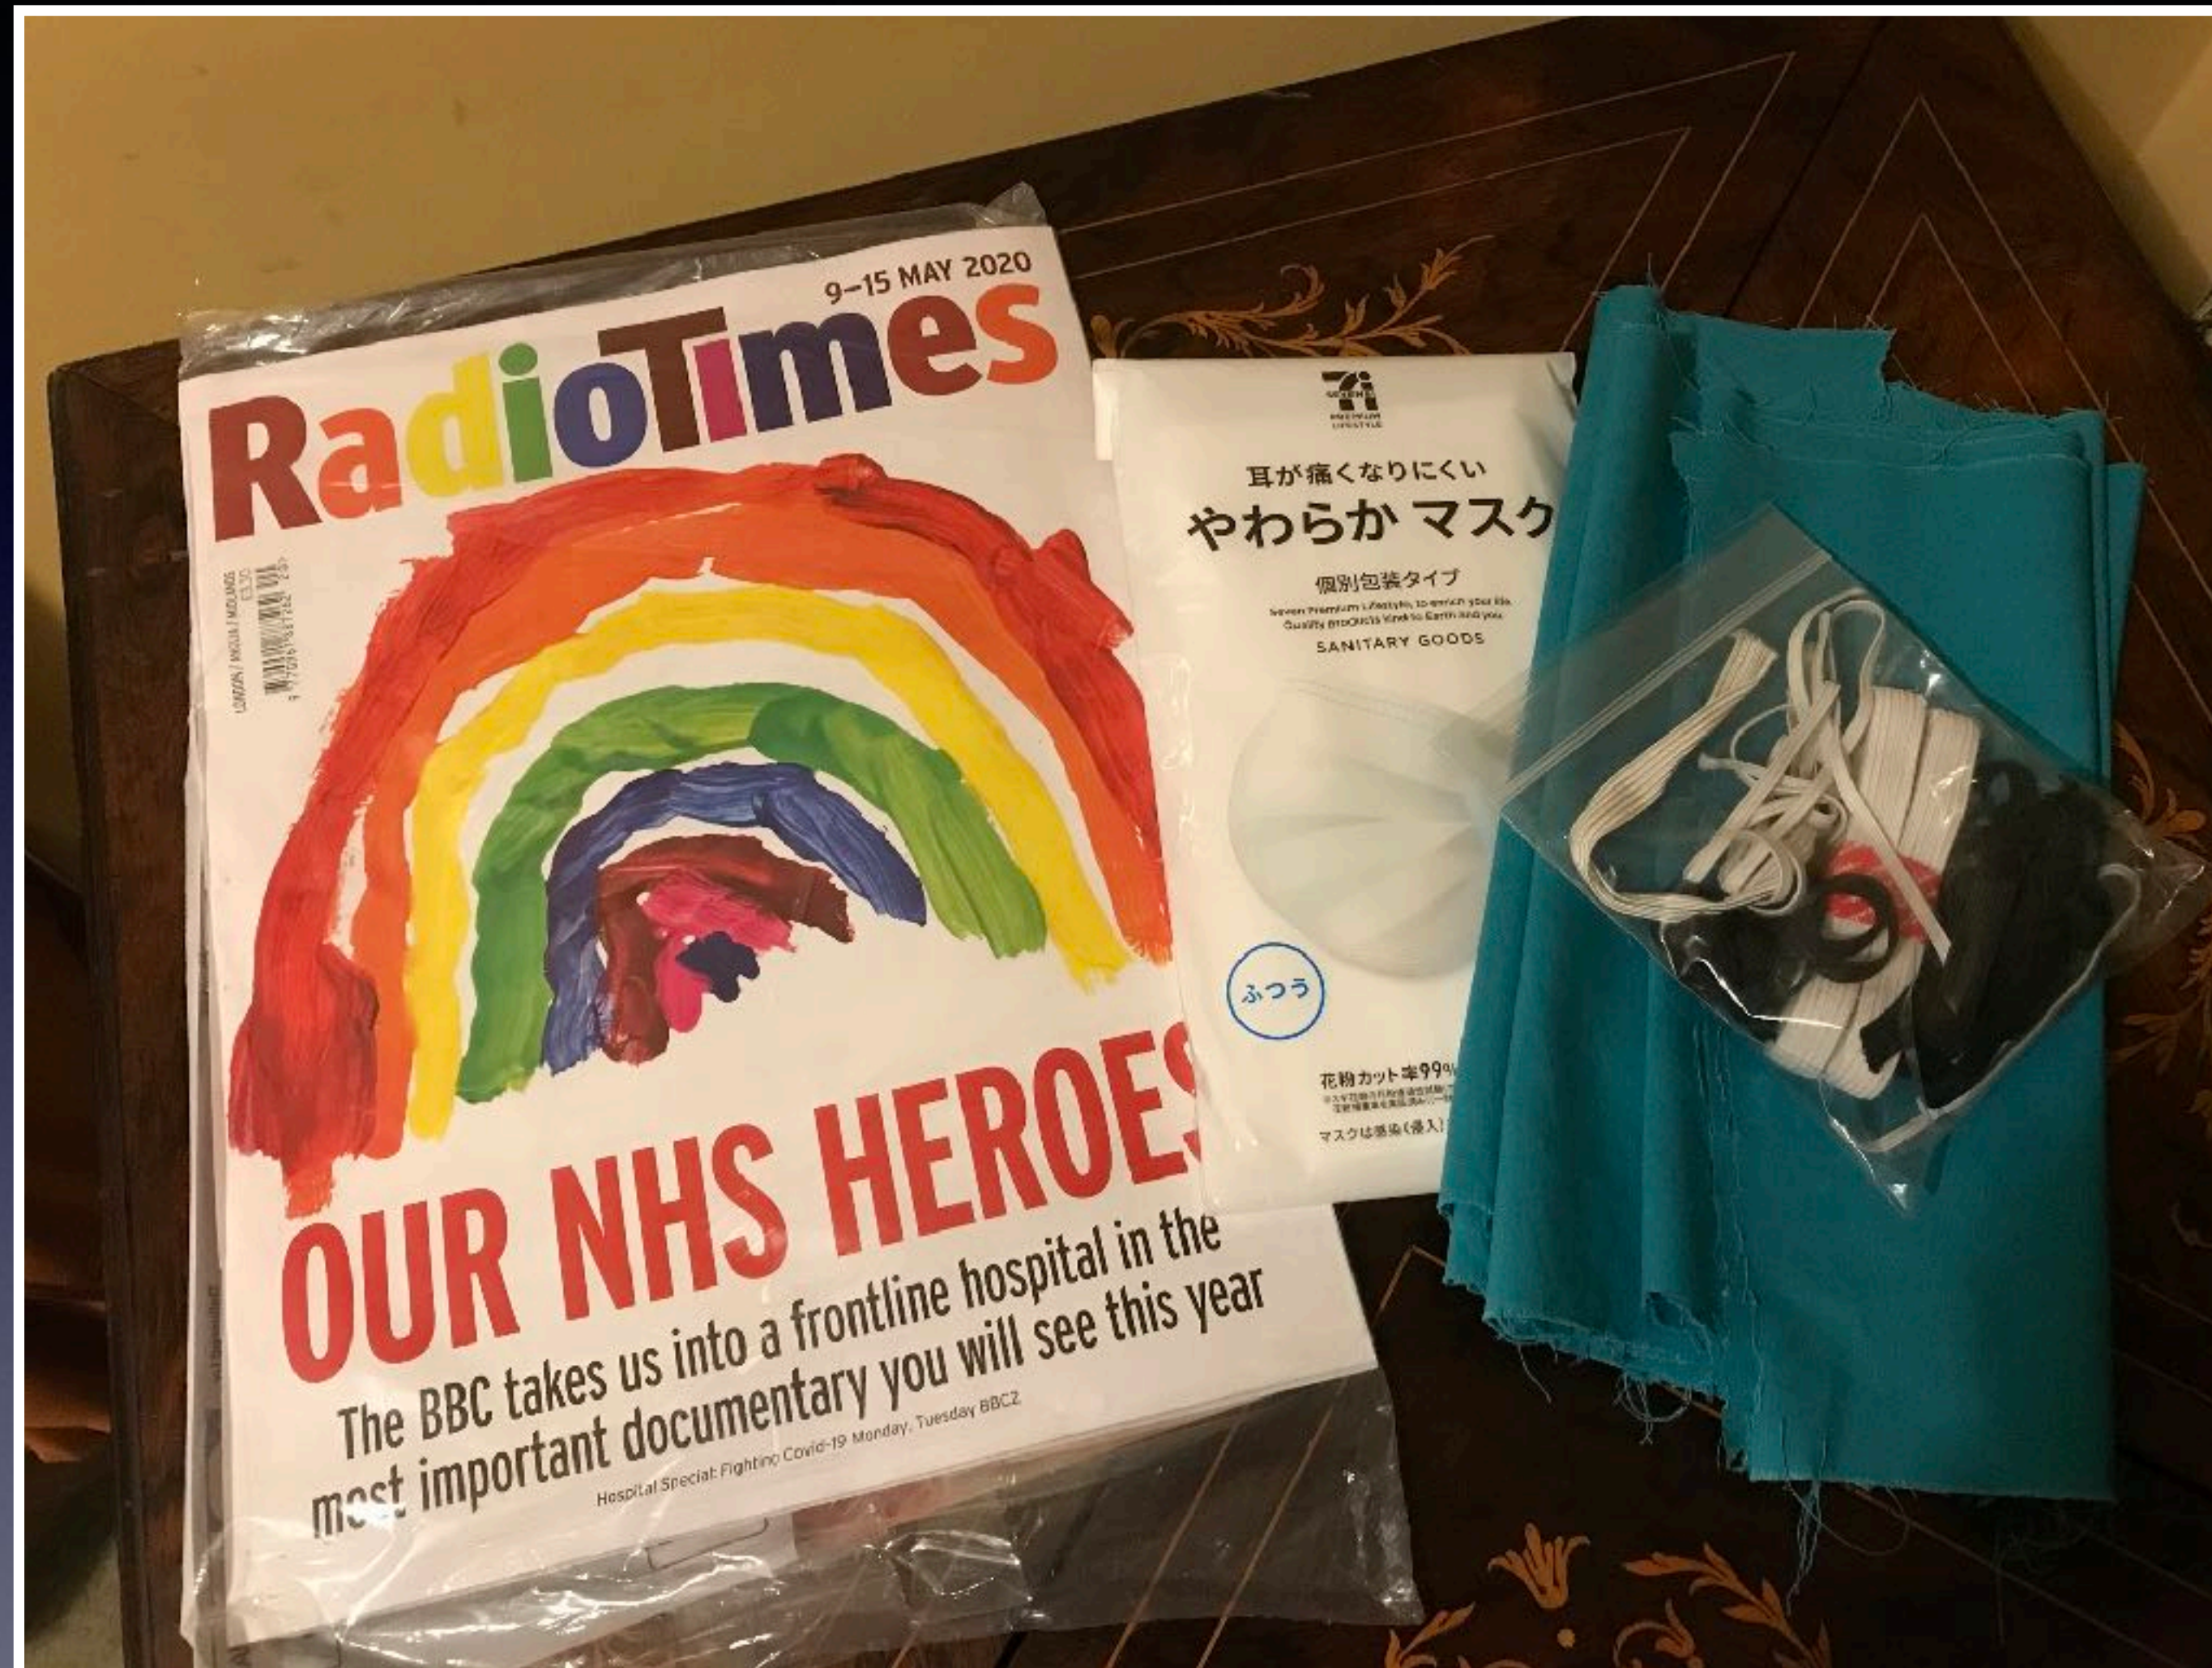

Scary dolls and Handmade Venetian masks

Two forks and a crystal ball

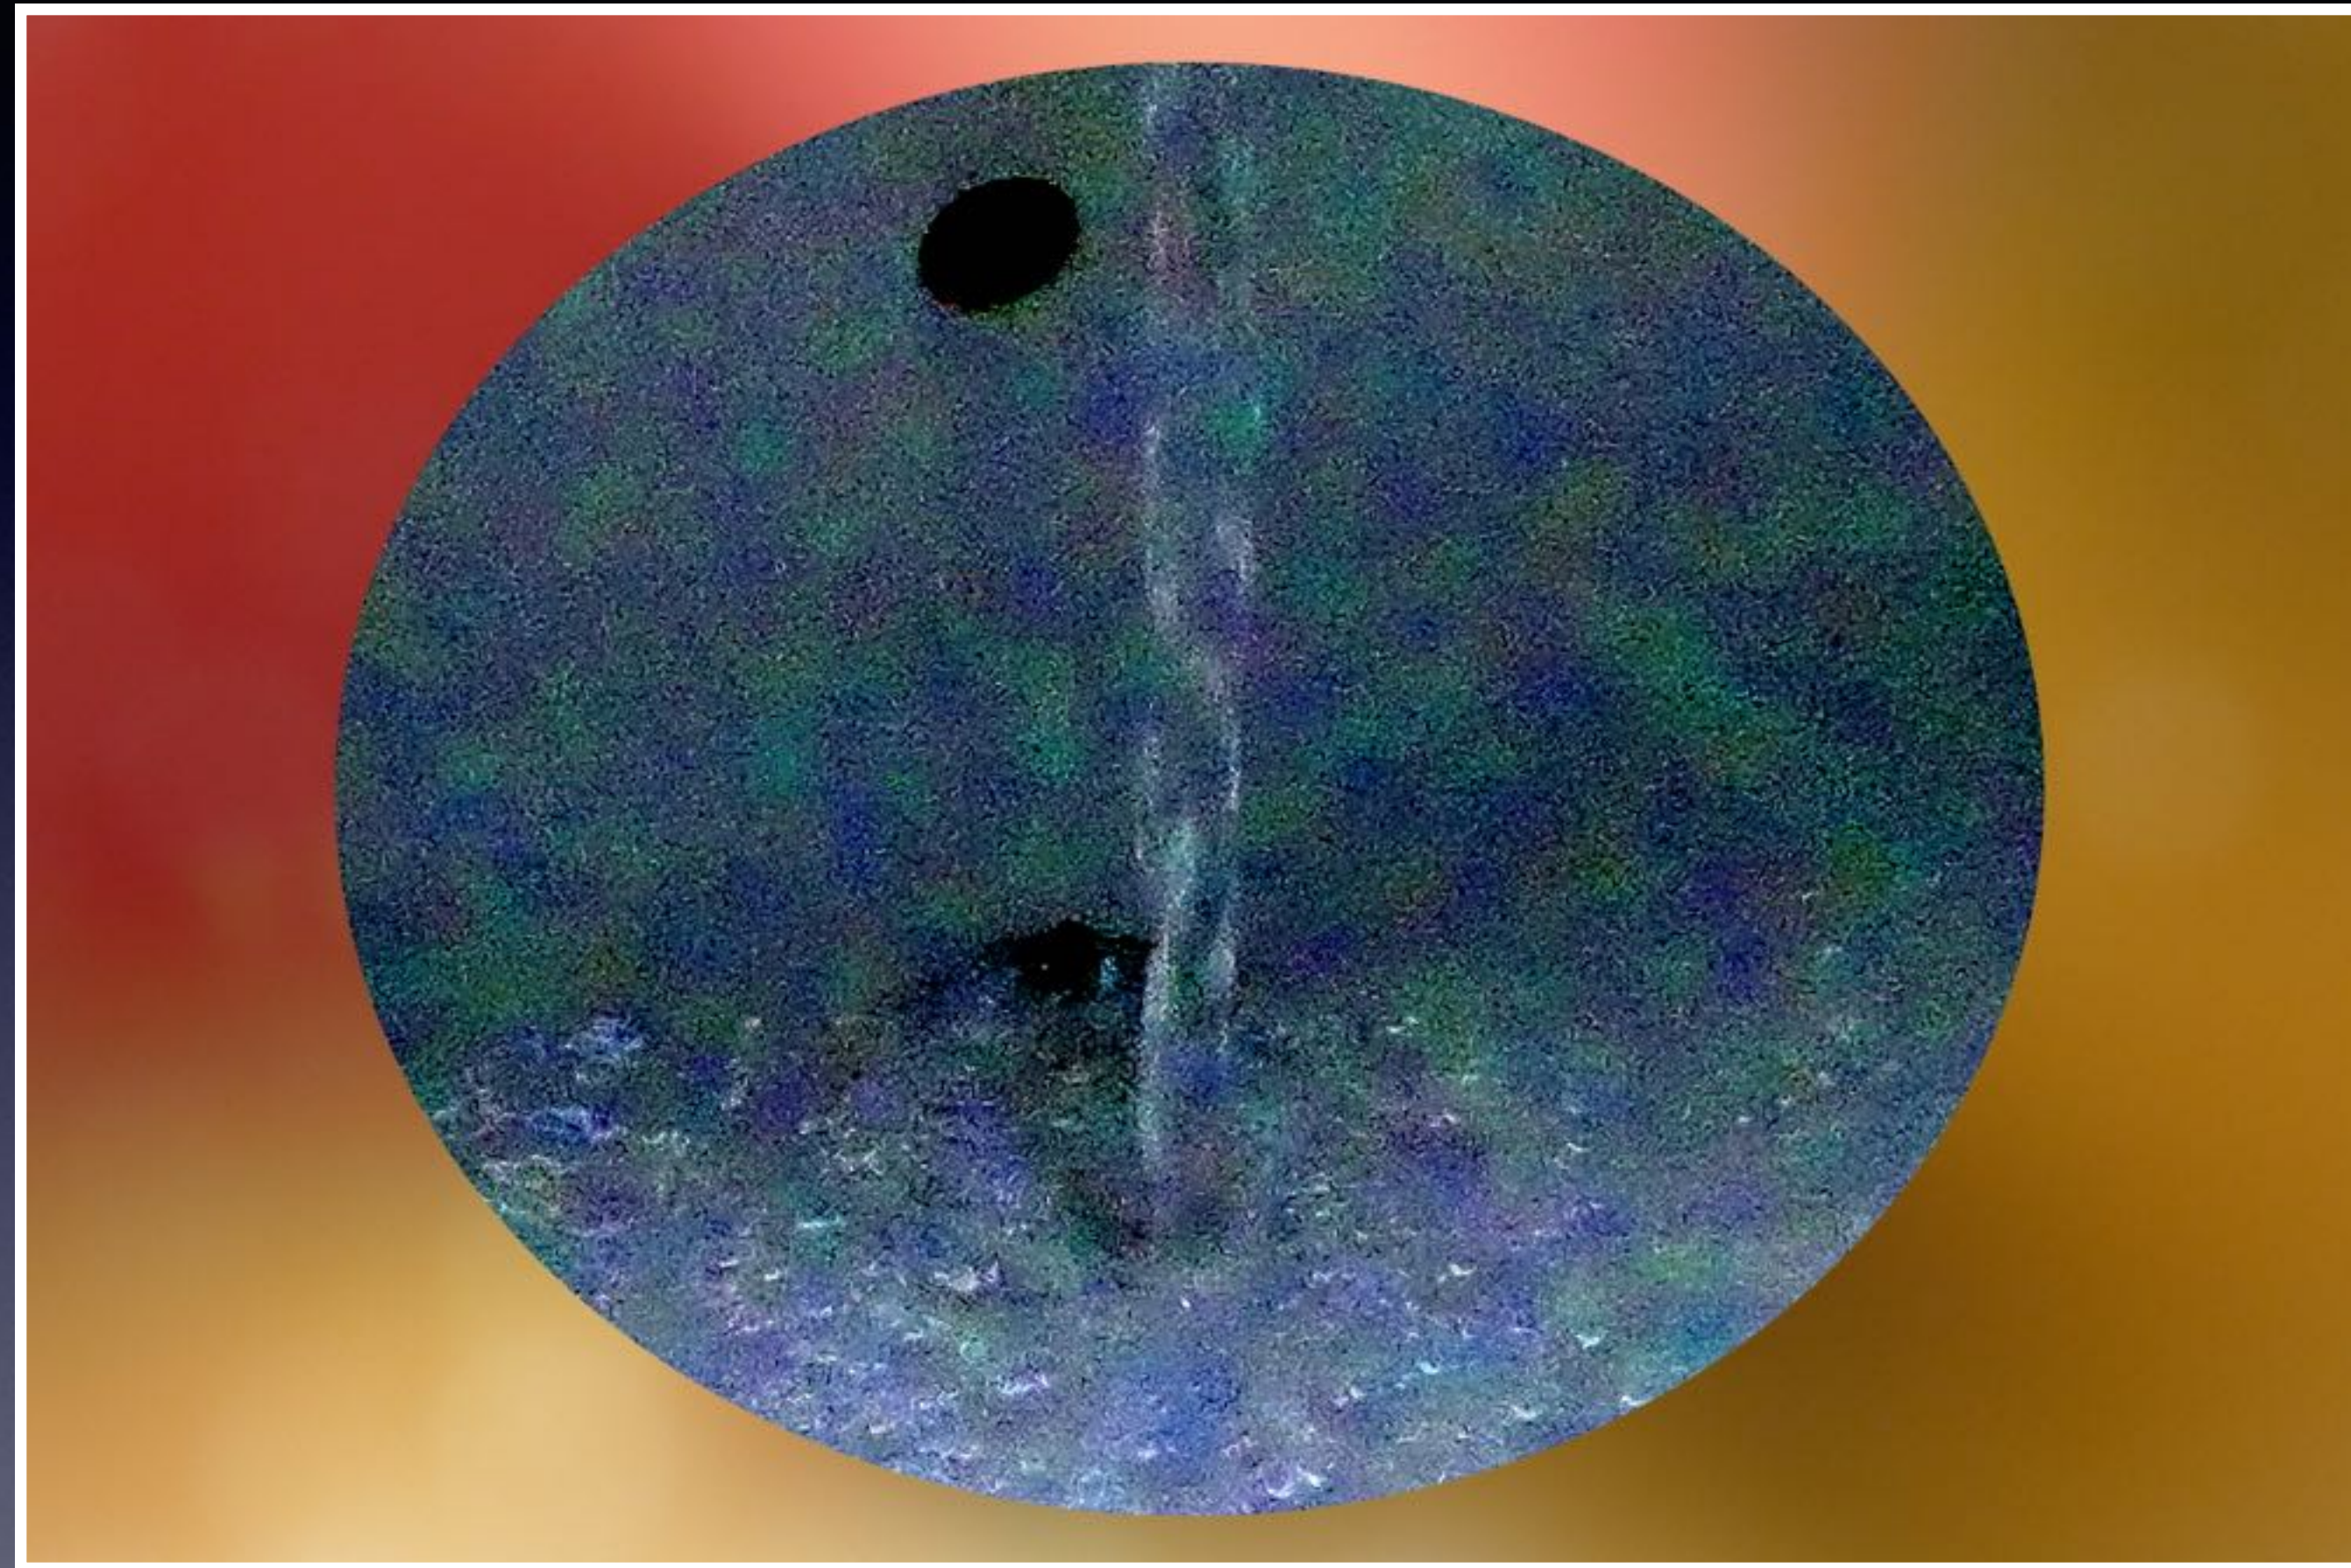

Household items - the new normal

# A Splash of Colour

Covid 19 Day 44 - Cambridge Leisure Park

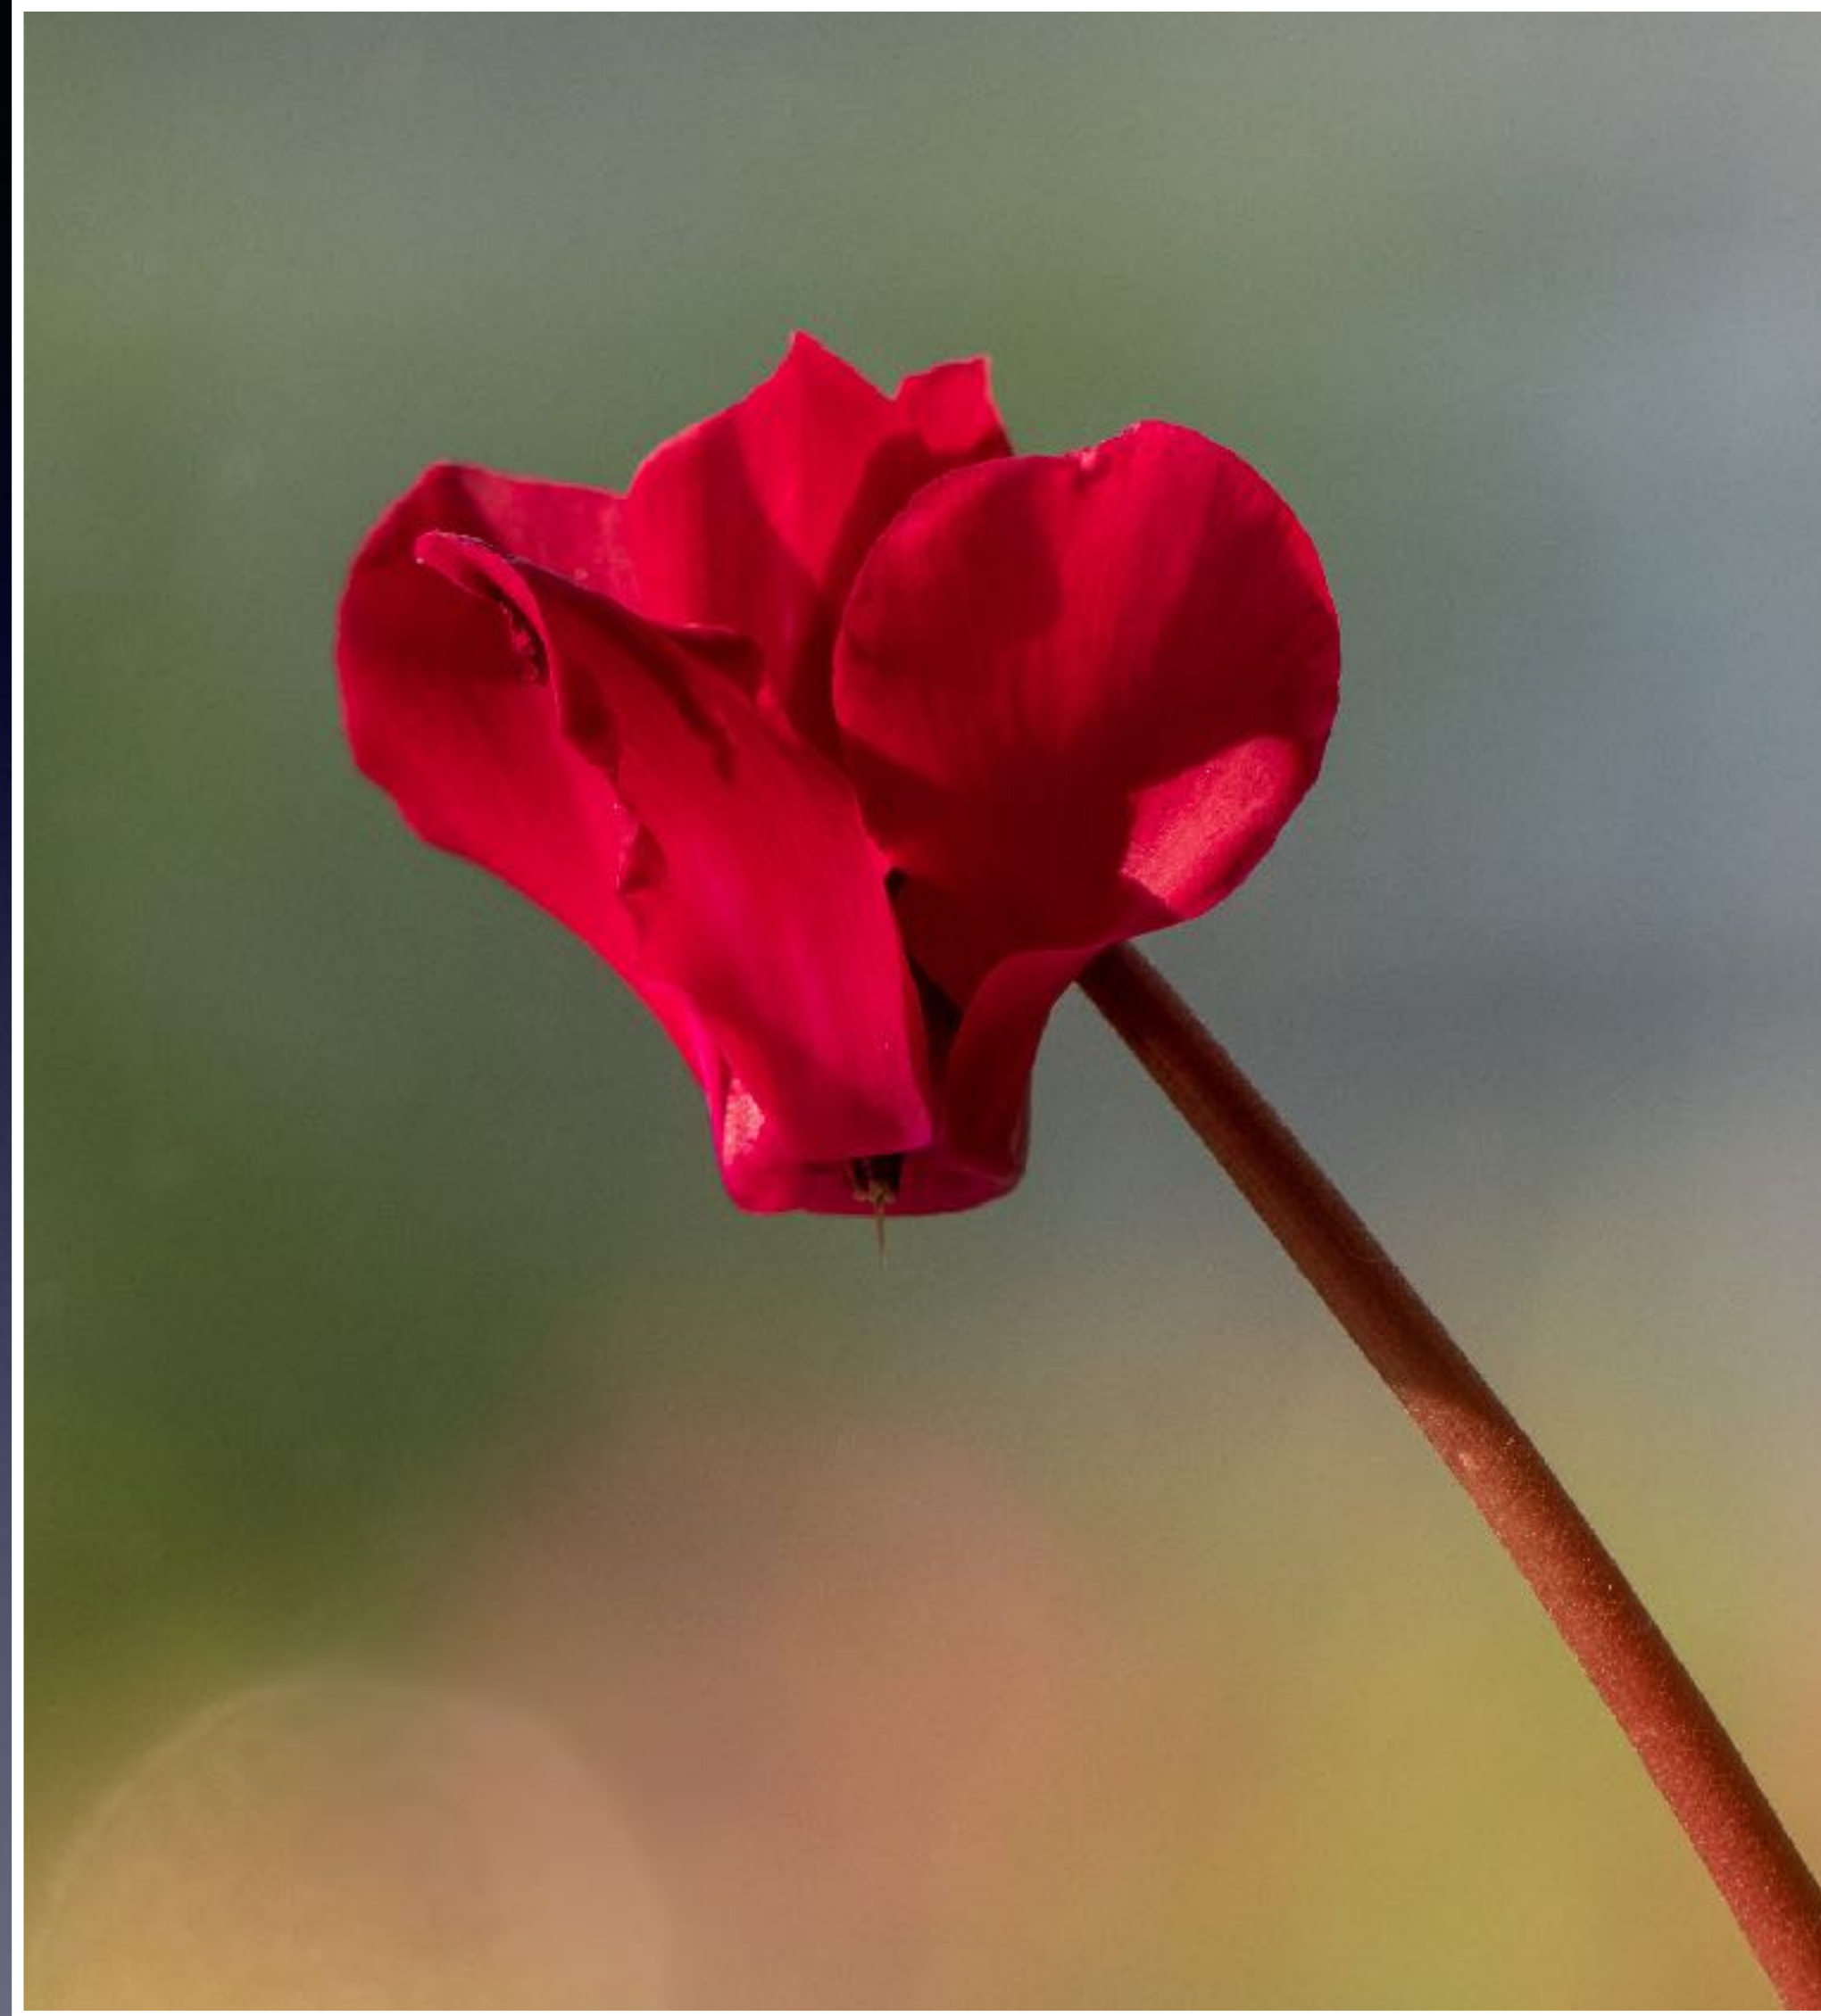

My Washbasin

Vibrant Violet

The Party's Over

Cyclamen

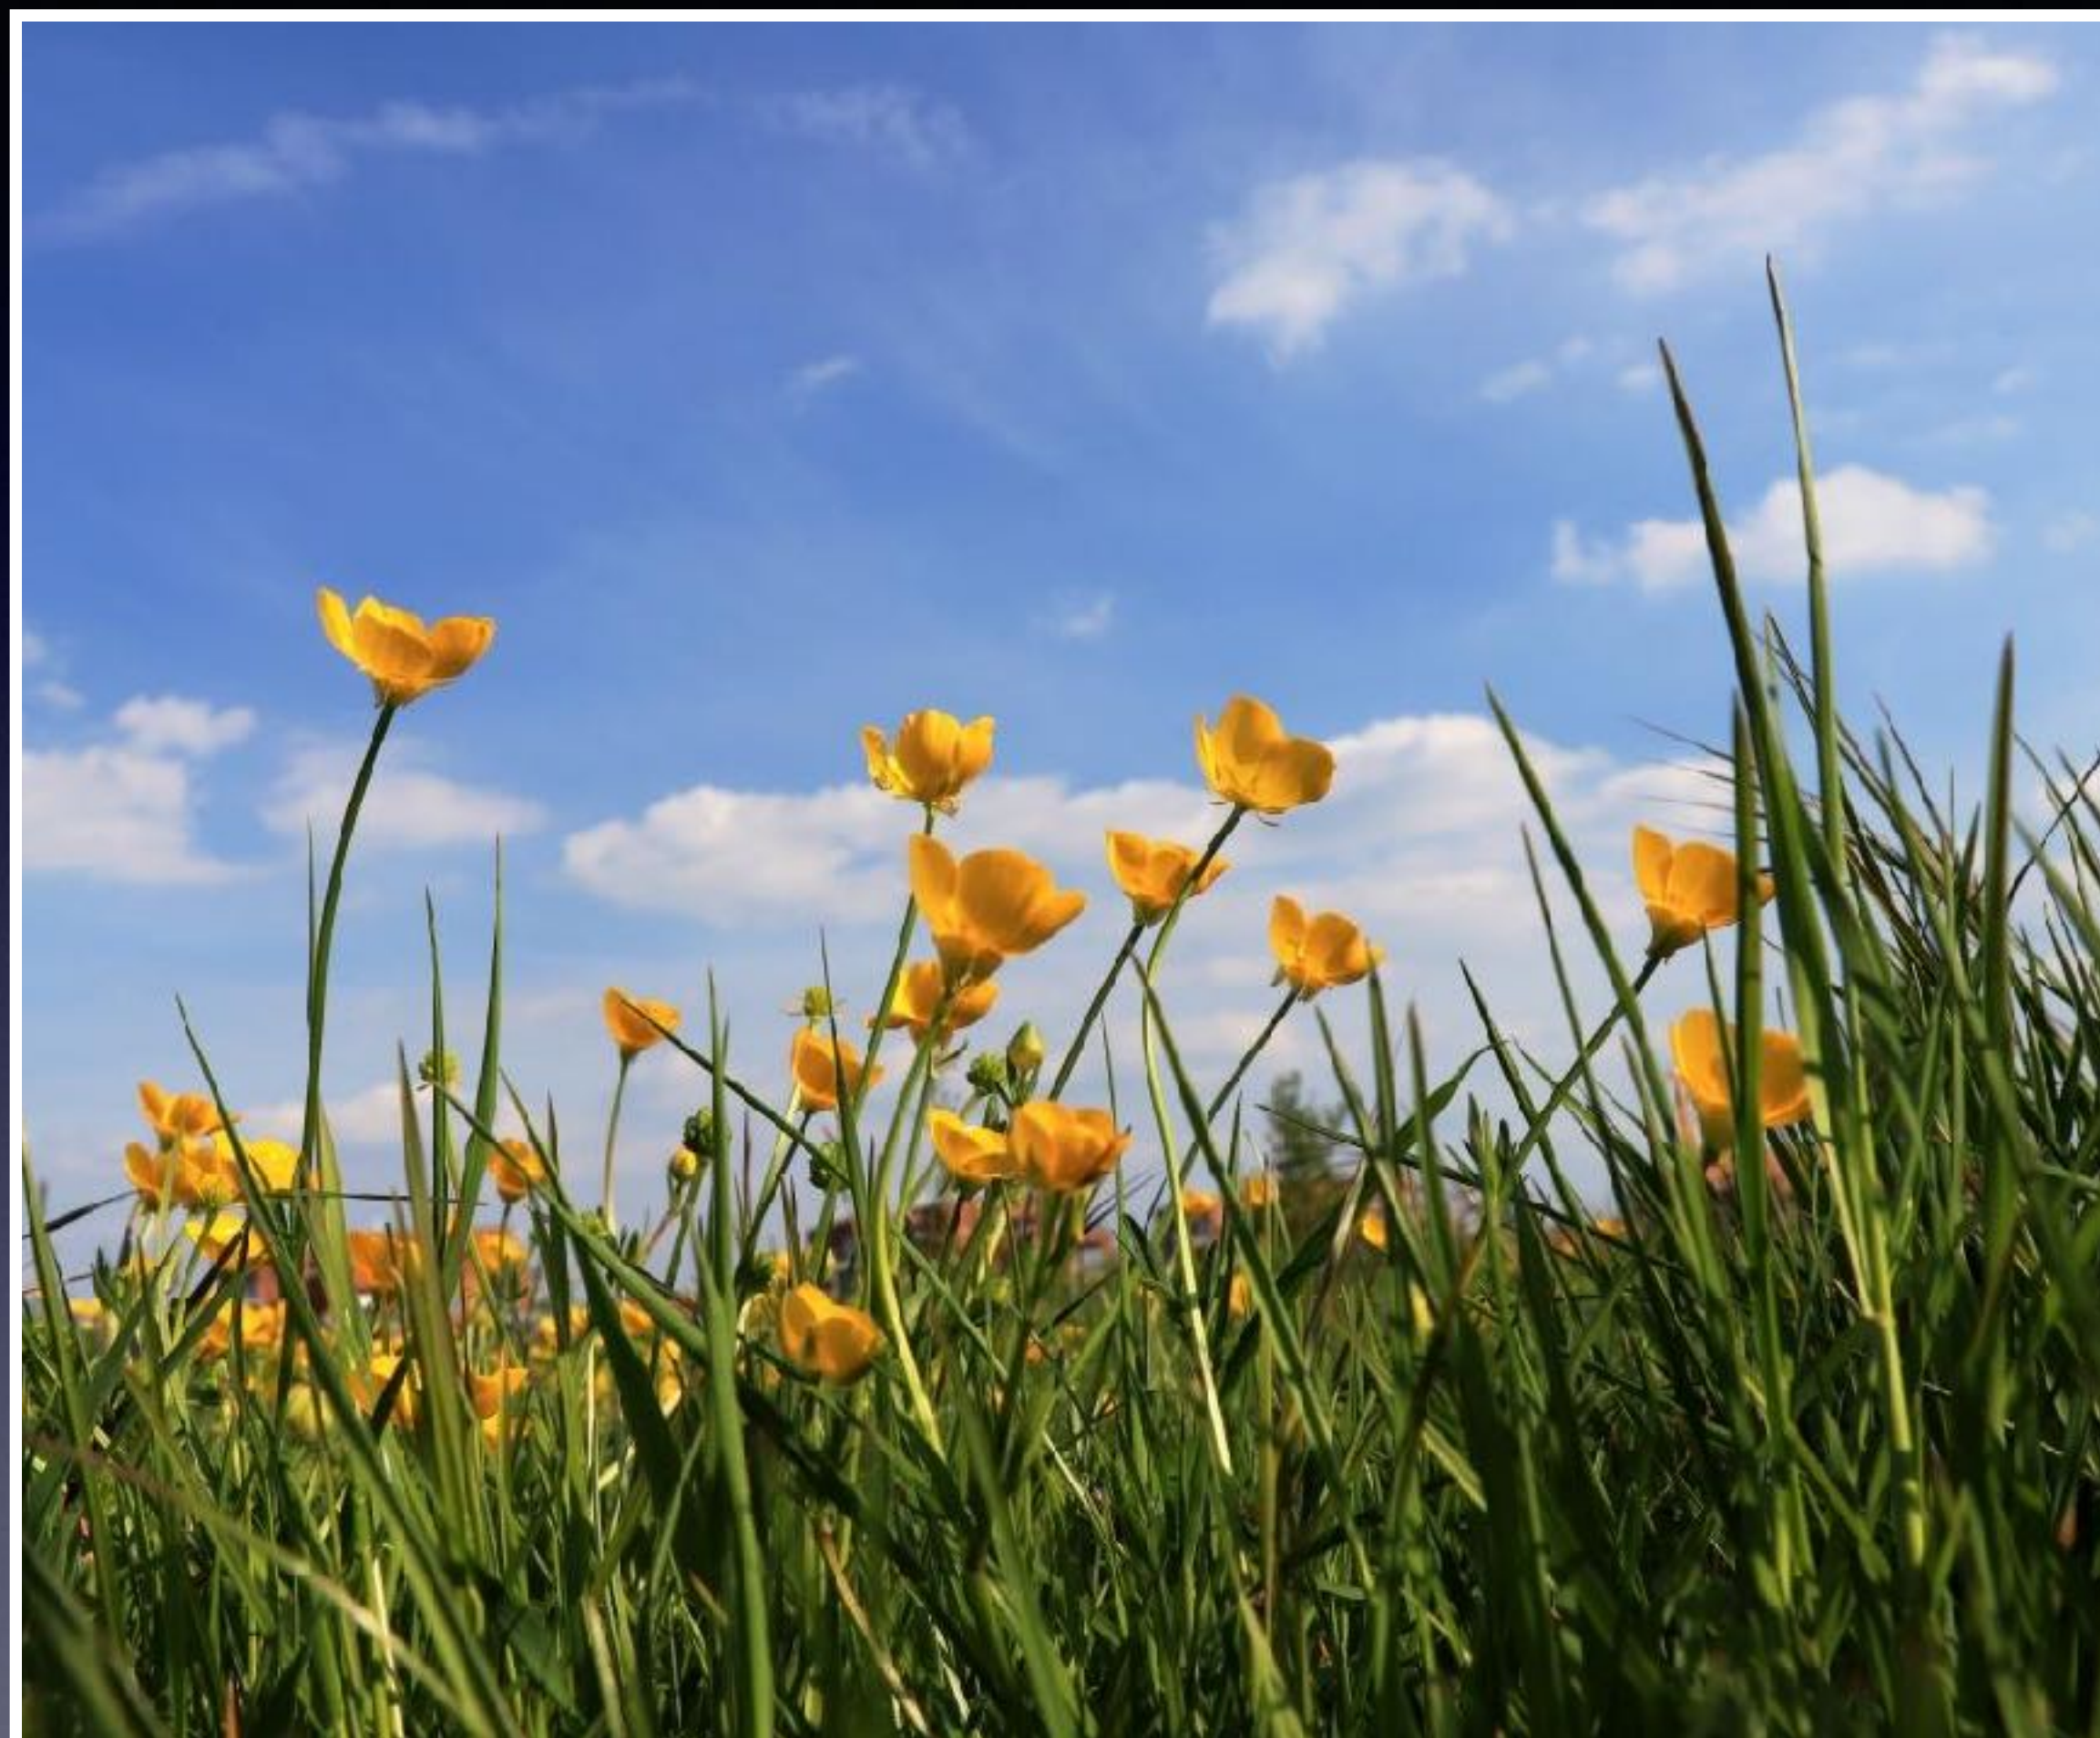

Covid 19 Day 50 - Swiss Laundry

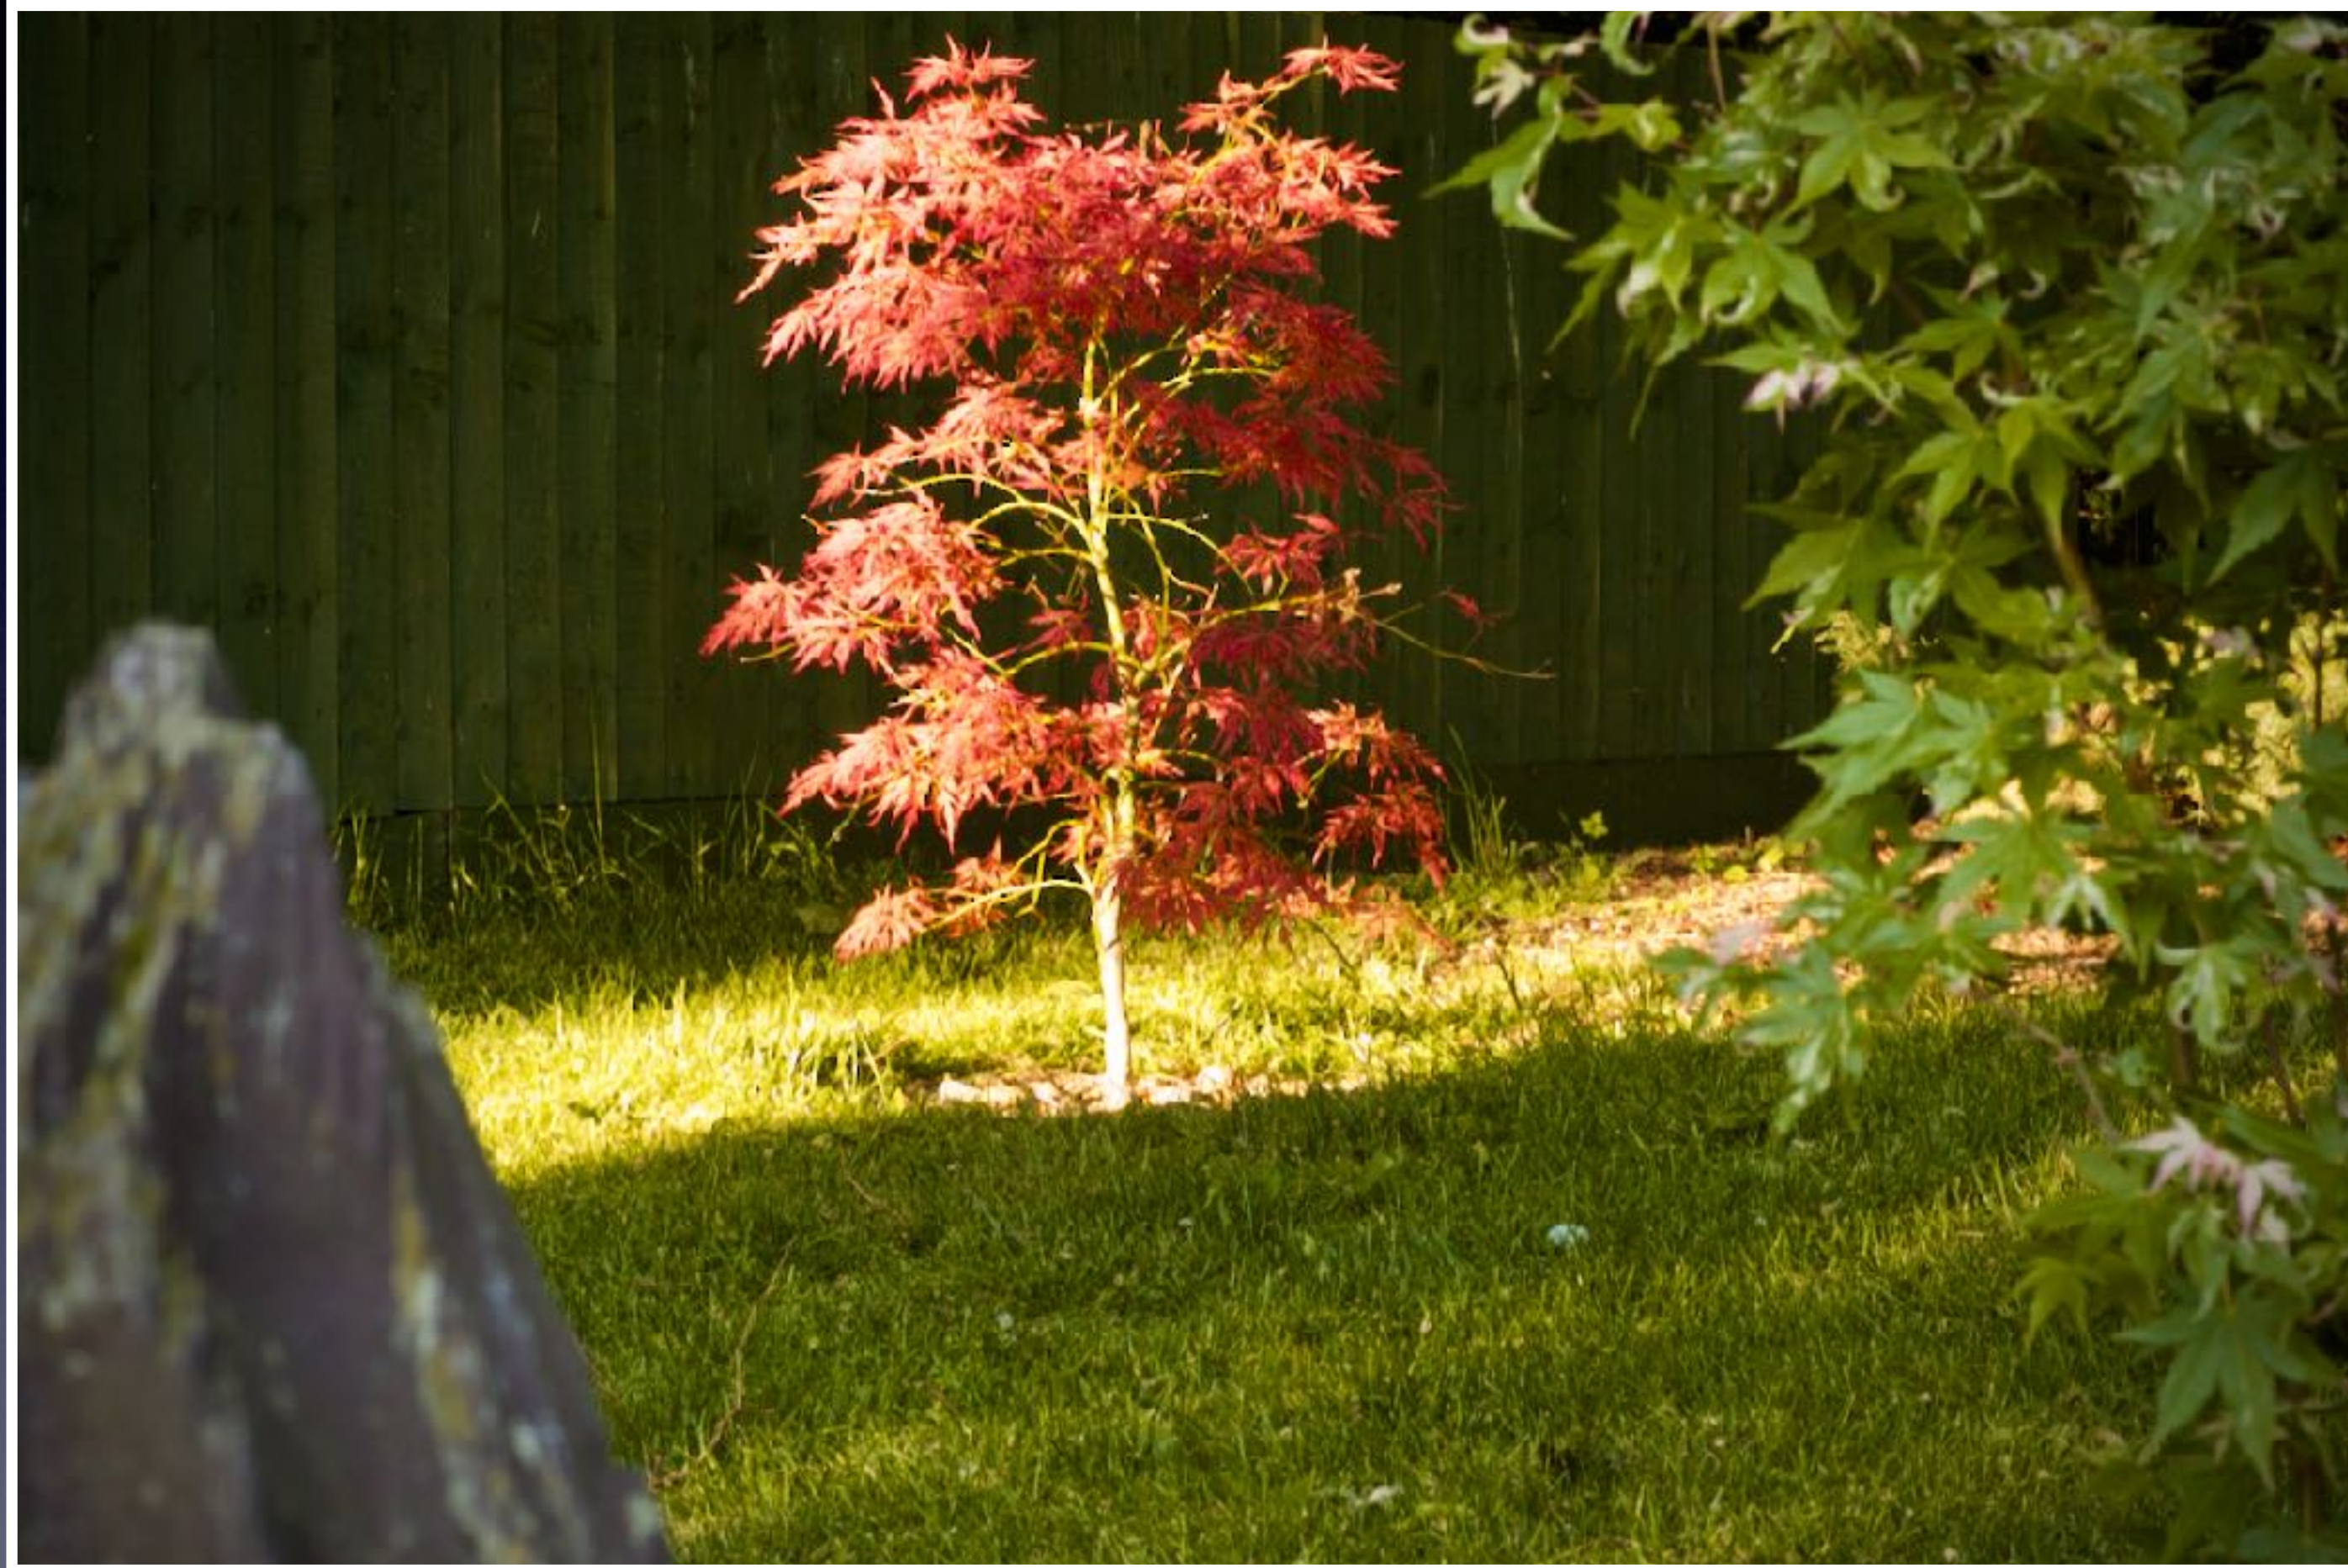

They grow up so quickly these days

A Splash of Colour

Buttercups

Evening Light

Just clothespins

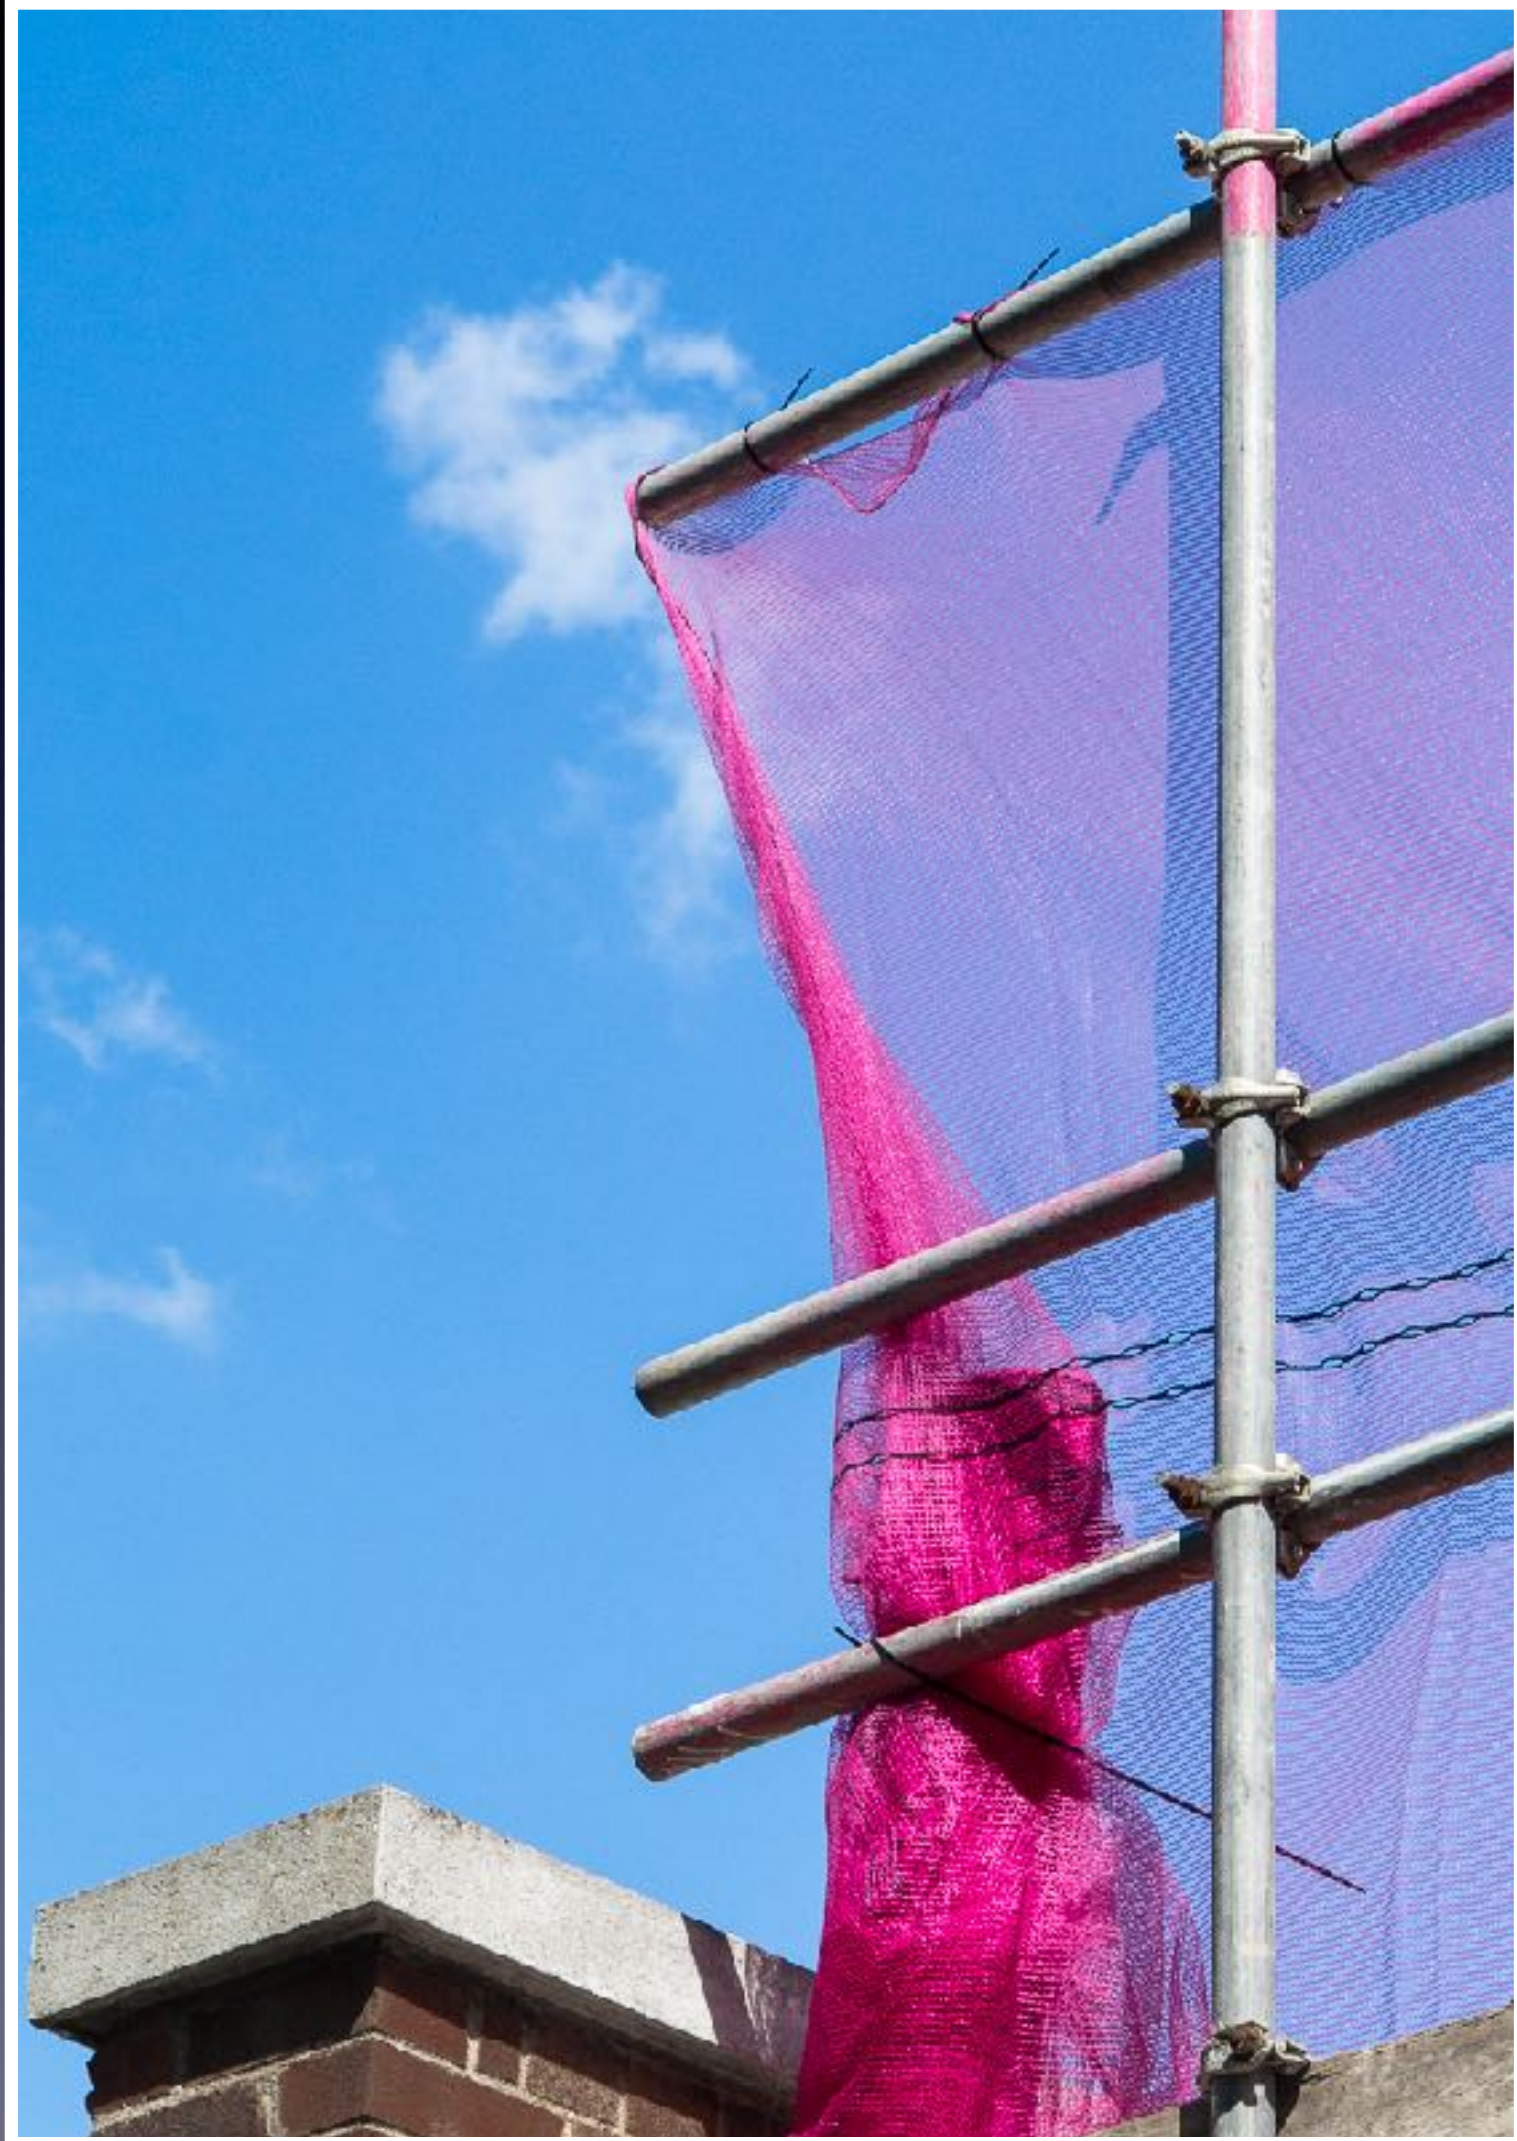

Coot chick

Stained glass

Covid 19 Day 45 - Cherry Hinton Road

Scotch and a splash

Great Crested Grebe

An (unfortunate) splash of colour

Blackbird

Nature thriving through lockdown

be afraid. Basically, the journey is  
living in a sort of limbo, a no-man  
yance. Do you understand me?’  
I nodded, even though I had barely  
what he said. Looking out to sea again.  
You must go back to your past life  
to find something that will jog you  
It takes is some smell, some trick of  
you have heard a thousand times, but  
smell, light and sound, these had  
ly awakening. The doctor fell silent  
ng me a conspiratorial look. I did not  
ting, but I sensed that he would ha  
me.  
Now you must start to learn your la  
help you with your memory. There  
re is still
