

U3AC Photo Forum

Autumn Term 2018

Course Objectives

- **Improve our individual practice of photography by:**
 - developing our appreciation of the work of established photographers
 - learning from each other's experience and working together in small groups
 - contributing to the course by offering individual or joint presentation(s)
 - critically analysing our own work
- **Mount an end-of-year exhibition at U3AC**

Today's Objectives

- Get to know something about each other's photographic:
 - experience
 - interests
- Agree some Rules of Engagement
- Outline the programme for this term
- Course admin

Our Photographic experience

Total of approx 620 years
makes average 30+years

Typical profile

However equal numbers:
